COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Notice of Allowance and Issue Fee Due was mailed for the above-captioned case on February 8, 2006. These comments are being submitted with the payment of the issue fee.

It is the claim as a whole that distinguishes the prior art. In particular, as noted by applicant in the Remarks of the Amendment dated November 17, 2005, claim 2 distinguishes the NOR gate implementation of patent 5,602,771 at least in that it recites crossed-coupled transistors connected drain-to-gate.
